

Your Temp Minder Online User Account is now active!

Dear Temp Minder User,

This email is to inform you that your user account has now been set up on the

**Temp Minder Online 24/7 Temperature Monitoring Website
by Integrated Control Corporation**

User Name: xxxx

Password: asdf

Please note that this is the default password.

You will be prompted to change this password the first time you log in.

You can click on the following link to go to the Member Login page

<http://www.goicc.com/members/tm/login.html>

If you cannot click through from this email, then simply cut and paste the address above into the address bar of your preferred internet browser.

Changing your password:

- 1) Click "OK" to close the dialog box informing you that *"Your Password is set as the default. You must change your password to continue."*
- 2) Now, in the upper right, underneath "Password Change" simply enter "asdf" as the old password and then input your new password (your choice) twice to confirm. You will only have to do this the first time you log in to the site. After this is properly setup, you will use the password that you have chosen to access your Temp Minder site.
- 3) Last, you will need to click on the "Update" bar in the lower right to save your changes. You have to click update for your changes to take effect.

You can change your password at any time by returning to the "User Preferences" page and repeating the procedure described above. If you forget your password and want it to be reset to the default, please contact a member of the Temp Minder Customer Support Team for help.

Please don't hesitate to contact the Temp Minder Customer Support Hotline at 1.877.ICC.8788 any time between 8:30 AM and 5 PM Eastern Time with any questions or concerns that you may have. You can also simply reply to this email for help.

Thank you,

Temp Minder Customer Support
